Other Comments:

No meeting in July

Comments from Chairman:

County to include HRC in this year's budget - MLK Breakfast.

July 24th - 257th Anniversary of Granville County Celebration- we need to place a tent up for the event. Tents are in the Davis Building.

Ron Bullock- Publicity, Dennis Daniel and Jacob Moore- coordinate how to get people to set up at the tent.

Brochures - Patrice will update for printing (Telessie McGhee)

October Meeting -

We had reached out to Gene Troy, he suggested that we move forward with the fair housing conference. We need to get the word out - Town of Stem had previously agreed to host the event. The event will be for Elected Officials of Granville County and HRC- send letter asking them to set the date. Need to communicate to the newspaper so that they can give HRC publicity.

Date is 2nd Monday in October 11, 2021 at 7PM

Ask that we come together. We are serving Granville County regardless of what committee you are on. Not sure of when we will get a replacement so in the meantime, we must work together.

Mrs. Ethel Anderson

We have 2 speakers to talk about the Equity Task Force under the Granville County Board of Education. Dr. Alisa McLean, Superintendent of Granville County School Systems and Dr. Pauletta Spence Thompson

95% of Granville County educators were vaccinated.

Equity is critical everyone in the nation. Inequities in education and the workplace, gender, race, color and income level.

2018-2023 Strategic Plan Overview

State of NC is requiring schools to provide equal opportunity for all students, a requirement...serve children based upon their individual needs. Meet children where they are in the classroom.

Equity Efforts Across the State

1- eliminate opportunity gaps by 2025

2-improve school and district performance by 2025

3- increase educator preparedness to meet the needs of every student by 2025

5 Granville County Public. Schools Equity Pillars

Pillar #1 - empower all students to achieve their own academic vision and goals

Pillar #2 - Increase & improve cultural awareness and competence of all teachers, administrators and staff with professional learning

Pillar #3 - Ensure welcoming, safe, inclusive and equitable school environments for all

Pillar #4 - Recruit, hire and retain teachers, administrators that represent demographic groups of students

Pillar #5 - Strengthen parent and community partnerships

Motion for Adjournment
